Intermediate, TSBIIE SriChaitanya Junior College Percentage: 97.4%	2021 – 2023
Secondary Education, SSC Kakatiya High School GPA: 10.00	2021

Technical Skills

- **Programming Languages:** C++, Python, JavaScript, C, TypeScript
- **Frontend:** React.js, Next.js, HTML, CSS, Bootstrap
- **Backend:** Node.js, Express.js, Next.js
- **Database:** MongoDB, MySQL, OracleSQL
- **Tools:** Git, Tableau, Vercel, Render
- **Other Skills:** Machine Learning Basics

Projects

AI Finance Tracker

- Delivered AI-generated monthly financial summaries and real-time budget alerts via email using Inngest and Resend, automating user insights and overspending notifications.
- Enabled receipt scanning with Google Generative AI and interactive analytics dashboards using Recharts for income-expense visualization.
- Built multi-account and multi-currency support with recurring transactions using Prisma, PostgreSQL, Clerk, and robust validation via Zod.

SensAI

- Developed an AI-powered career platform with Next.js, Prisma, PostgreSQL, and Clerk.js for secure access.

- Integrated smart features like resume scoring, AI cover letters, and career insights.
- Enabled personalized tools such as trend tracking, skill assessments, and career path guidance.

Chat-App

- Built a real-time chat app using React.js, Node.js, WebSockets, and Tailwind CSS with a modern glassmorphism UI.
- Implemented secure authentication using JWT and persistent messaging with MongoDB.
- Designed a responsive, scalable system supporting instant message delivery and user sessions.

BlogWebsite

- Created a dynamic blog platform with role-based access control and global state management.
- Implemented real-time content updates and optimized loading, improving page speed by 50
- **Technologies used:** React, Node.js, Express.

Certifications & Achievements

- Competed in the *Top 100 Coders of VNRVJIET* contest, advancing to **Round 2** and securing the **44th position**.
- Completed Tableau certification on Internshala, gaining expertise in data visualization, interactive dashboards, and analytical insights.

Coding Profiles

- CodeChef: 1333 | LeetCode: 1570 | CodeForces: 1105
